Memorandum:-

With reference to the Proceedings of the Chief Commissioner on the subject of Inam payments authorized by the Inam Commissioner in the Taluks of Anantapoor & Sagur, the Nagar Commissioner submits for instructions three questions of the Shemoga Deputy Commissioner in connection with the payment of the amounts thereof.-

2. The three questions on which orders are solicited, are:-

(1). As the said Inams have been commuted into cash payments, whether they may be consider

as Mooziey Cash allowances
& therefore struck off
from the Jari Duanty
accounts - (Clause XI Regs. 1).

(ii). Whether the Amount
of these allowances should
be drawn on Bills passed
by the Chief Commissioner or
whether payments may
be made out of Collections.*

(iii). Whether a date may
be fixed within which
all payments may be
required to be received
as the Zemindars live in
different parts of the
Province & also what
Course should be adopted
in the Event of their not
appearing within the
fixed date.

3.— With regard to the

* I suppose he means from the Zemindar (or owner of Burg or Lobing)

1st point the Commissr is of opinion that it is not necessary to strike off the Inams from the Inamdy Returns as on the introduction of Survey & Settlement the Inamdar will, if he chooses, be allowed, according to the printed Proceedings of the Inam Commissr of 18th Oct: 71 No: 17, to take up lands equal in assessment to the value in cash now paid them in Commutation.

4. As regards the 2d Question he observes that from the tenor of the Deputy Acct: Genl's Circular* No: 1052 dated the 29 Sept: 73, no previous audit of the Bill is necessary.—

5. With respect to the 3d query he thinks that the fixing of a date,

* published in the Mysore Gazette of the 11 Oct: 73.

within 6h: all payments
may be required to be received,
is very necessary - If the
Inamdars fail to put in
their appearance within
the appointed time, he
would hold the amount
in obeyance for about
3 months, after which
he says, it must be
Considered as having
Lapsed to Government.

Rs
Inams converted into cash
payments and paid from
the State Treasury should be
struck off the list of Inam
Grants - otherwise they would
appear both in the Land
and money Inam Depts
and increase the cost of

alienations of the Government
Revenue in the County - When
the Bonds were commuted
into money, are again con-
verted into Bonds, and
then be brought on the
Bonds Register and expunged
from the Engagement in Cash
Bonds List -

The Answer to Point No II
is contained in para 2 of the
Chief Secretary's Proceedings dtd $\frac{134.2}{31}$
of the 13th June 1873 from
which it will be observed
that the Bonds claimed
were refunded by the Judicial
Dept to meet the
value of the Bonds from
the Treasury - The Bonds
were payment in cash

can not be made without
prejudice under the Pay Re-
Consultant Generals Circular
Order No 1052 of the 29th Sept
1873.

If the Inspecting Officer
will find in his appointment
or make other arrangements for the receipt
his allowance at any
time before the close
the Official year January
1st one for each the
Account is due, the
Province made to the
Budget-Estimates, and un-
less he presents himself be-
fore the 1st of October explaining
the causes of his non-attendance within the prescribed

time, his claim to arrears of payment should be considered as forfeited. And that the rules for the payment of pensions and superannuation Pensions be made applicable to the payments of the allowances in question. The separate rules now in force on this subject.

Law No 364 of 1873-74
Pub " 121 S

Naga Division
2 Commissioner's Office

To

The Secretary to the
Chief Commissioner of Mysore
General Department

Sir,

Referring to the Proceedings of the Chief Commissioner No 7842/81 of the 4th June 1873 on the subject of Inam payments authorized by the Inam Commissioner in the Talooks of Anantapore & Sangur, I have the honor to forward for the instructions of the Chief Commr on the points noted, copy of the Shimoga Deputy Commissioner's letter No 451 of the 3rd instant.

2. With regard to the 1st point viz that as land Inams have been commuted into cash payments whether they may be struck off the Jaree Inams account class XI No 1:— From the

Printed Proceedings of the Inam Com-
missions dated the 18th October 1871 No 17
regarding the treatment of Malnad
Inams I observe that on the introduc-
tion of Survey Settlement the Inamdar
if he chooses will be allowed to take
up lands equal in assessment & the
value in cash now paid to him, in
Commutation; and under the circum-
stance, it will not be necessary to
strike off the Inams from the Inamdars
Returns.

As regards the 2nd point — whether
the amount of cash payments should
be drawn on Saped Bills: — I beg to
observe that from the tenor of the Deputy
Accountant General's Circular No 1052
dated the 29th September 1873 published
in the Mysore Gazette of the 11th October
no previous audit of the Bill is necessary
for the disbursement of the allowances.

With respect to the 3rd point — viz:
whether a date maybe fixed within

which all payments may be required to be received, I am of opinion that the fixing of a date is very necessary. As the Mamdars live in different part of the Province, it will be necessary to allow them sufficient time for putting in their appearance failing which the monies may be held in abeyance for about 3 months, after which it must be considered as having lapsed to Government.

Sir,

In continuation of my letter No: 301/101 dated the 7th October 1873, I have the honor to forward Copy of a letter from the Deputy Commissioner, Shimoga, bring-ing to notice the difficulty of carrying out the Chief Commissioner's order convey-ed in Proceedings No: 3230. dated the 13th Ultimo in respect of dealing with money payments to Inamdars and the recovery from Wurgdars of what they had been pay-ing to Inamdars. It is directed in para 3. of the Proceedings that all payments here-to fore made to Inamdars by Wurgdars should be received into Government Treasury and as some misconceptions are likely to arise from the use of the words all payments which I presume refer solely to the money due by the Wurgdar to the Inamdar, or such amounts

amounts which had been hitherto deducted
from the Government demand
on Burgs on account of Inams Com-
prised therein as stated by the Inam
Superintendent in his letter to my
address noted in the margin and has
no reference to any additional or
private payments and arrangements
between these persons, I would suggest
that only the Jaree Amounts as shown

the basis on which Cash payments
to Inamdars have been determined
on be recovered from Burgdars.

To

The Commissioner

Sir,

With reference to your Docket No. 498 of the 7th Instant, I have the honor to state that the Inam Commissioner's letter received with your No. 70 dated 30th April 1873 regarding the ready money settlement of Mulnad Wurg Inams, directs that in addition to the Jummabundy hitherto paid, the Wurgdars must pay to Government the amount which had been hitherto deducted from the Beriz on account of Inams; but from your docket under reply, it would appear that the Wurgdars should pay to Government the amount he was paying to the Inamdars, and that instructions regarding payments in kind would follow. These payments both in kind and in money may be either more or less than the Inam Beriz of the Wurgs, and unless

a carefully enquiry is instituted in each case, the exact amounts paid by the Kurgdars to the Inamdars cannot be ascertained, and as there are 330 cases in the two Talookas of Ananta= =poora and Sangara as per lists received from the Inam Superintendent, there is no possibility of bringing the measure into force during the ensuing Jamabundy, unless whatever is paid by the Kurgdars is received without question, a thing which cannot be allowed.

I therefore solicit early instructions as to whether or not the Inam Commissioner's orders, which are very easy of execution, must be considered as superseded by your Docket under reply.

Pending your instructions the notifications herewith received has not been issued to the Talookas concerned.

I have the honor &c.

To The Commissioner of the Nagar Division.

Sir,

In acknowledging the receipt of your Letter No: 364/121 of 31st ult^o submitting for orders three questions regarding the disbursement of Inams Commuted into cash payments, I have the honor, by direction of the Chief Commiss^r, to reply as follows.—

2. With regard to the first query, whether the land Inams, which have been converted into Cash payments, may be struck off the Jaxy Inamaty returns and be considered as Inoozroy Cash Allowances, I am directed to state that such be removed from the list of land Grants, & when the money Grants are again Converted into land they will then be brought on the land register & expunged from the Inoozroy or Cash Inam list.

3. Answer to the second question is contained in para 2 of the Chief Commiss^r No: 1342/121 of 13th

June 73. from wh: it will be seen that the Guardars claim is not vitiated if the Govt. fail to recover the Value of the Guam from the warders, & therefore the Guardars payment in Cash can be made without previous ~~reference to the Dy. Accts~~ Govt. Circular ~~order~~ No: 1052 of the 2nd Sept. 73.

4. As to the third point I am to state that if the Guardar does not put in his appearance or make other arrangements for the receipt of his allowance at any time before the close of the official year following the one for which the amount is due, the provision made in the Budjet Lapses, and unless he presents himself before the Dy Commissr to claim the Causes of his non attendance within the prescribed time, his claim to arrears of payment should be considered as forfeited. No separate rules need be framed on this subject as those for the payment of Jeomiah, Muzzoy grants & superannuation pensions
